RE: Request for Information Pursuant to Section 104(e) of CERCLA,  
Widefield PCE Site, SSID#08-SQ, Colorado Springs and Security, Colorado

Dear Ms. Phillips,

I am in receipt of your letter dated September 26, 2013 asking for information regarding the past ownership of the Mission Trace Shopping Center in connection with the Widefield PCE site being investigated by your Agency.

Because it has been a number of years since our involvement with this property, allowing just 30 days from the date of your letter will not allow us sufficient time to get access to records and thoroughly review them in order to answer your inquiry.

We, therefore, respectfully request an extension of time sufficient to gather the information you desire and respond in a manner appropriate to your investigation. We would request the extension apply through the month of November until November 30th. This would allow us sufficient time to compile all data or documents necessary to accurately and completely answer the questions you pose for this investigation.

Please let me know as soon as possible if that time extension is agreeable, and if not, why not. I look forward to your quick response.

Sincerely,

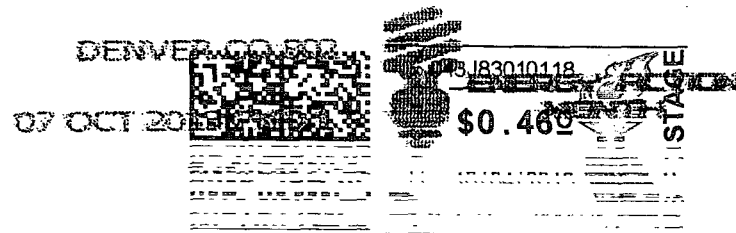

A handwritten signature in black ink, appearing to read "Thomas Pfeifle".
